

Let's Get it Right for Children and Young People in Wales

A challenge for you!

Win a laptop computer
or a mini-camcorder

Twenty years ago the world's nations signed an agreement to make life better for children and young people. It was known as the **United Nations Convention on the Rights of the Child or UNCRC**.

Things have improved since then but there's still a lot more work to do to get things right.

To mark this anniversary the Welsh Assembly Government has launched a new Action Plan that aims to make the Convention a reality for all children and young people in Wales.

This plan includes:

- Getting rid of child poverty
- Improving children and young people's learning achievements
- Ensuring they have healthy lives and can play regularly and in safety
- Allowing them to express their views
- Stopping unfair treatment and all forms of bullying
- Protecting children and young people who are refugees
- Helping children and young people in deprived areas

We want to know what you would do to achieve these aims and how you think we can make life easier, safer and more enjoyable for children and young people in Wales over the next 20 years.

If you're aged 11 – 25 let us know how you would achieve one or more of these aims and you could win a laptop computer or a mini camcorder.

Give us your idea in:

- A drawing, painting or collage with a caption
- A mini-essay of 200 words
- A poem of two verses
- A photo or photo montage with a caption

The best entry in each of Wales' four regions will win a Flip digital camcorder and the best of these four will win a DELL laptop computer. Our judging panel will include young people.

It doesn't matter which format you choose to make your entry. What's important is your idea and how well it's presented.

Please send your entry accompanied by the tear-off form provided to **Let's Get it Right, c/o Working Word PR, 9th Floor South Gate House, Wood Street Cardiff CF10 1EW.**

Alternatively scan your entry and email to info@workingwordpr.com
